

Owned and operated by the Town of Silverthorne, the Pavilion opened its doors in 2001 as an affordable, elegant venue to serve the local community and our visitors.

The Silverthorne Pavilion sits at the edge of the Blue River in the heart of Town Center. With hardwood floors throughout, custom-crafted chandeliers, and elegant iron work, it's a unique, flexible facility capable of accommodating events of all types and sizes.

Details like hand-crafted leather chandeliers combine to give the Pavilion a rustic, yet elegant, feel.

Exposed trusses, skylights, generous windows, and custom iron work throughout the building create an open, naturally lighted space that brings the "outdoors in."

The oversized stone fireplace on the Pavilion patio allows your guests to comfortably enjoy the outdoors.

**S**pecial occasions demand a pristine setting.

The Pavilion boasts nearly 12,000 square feet of space. With a flexible, open floor plan, we are able to arrange furniture to accommodate the size of your party, and also to convey your personal tastes and style.

At the Silverthorne Pavilion, we take pride in presenting your guests with an elegant, inviting facility set according to your preferences. We encourage our clients to further personalize the space by bringing photos and other memorabilia to display during their event.

We've intentionally designed a space that is elegant with modern furnishings, but that is also a "blank canvas," allowing you to infuse your personality into the surroundings.

When you rent the Pavilion, the entire facility and grounds are included in your site fee. We have two outdoor ceremony sites:

The **Riverside site** sits on the banks of the Blue River, and is surrounded by aspen trees and Columbine flowers. This space comfortably seats about 125 guests.

The **North Lawn**, which is meticulously maintained during summer months, is ideal for larger parties with more than 125 guests.

### The Pavilion Isn't just for weddings and formal events!

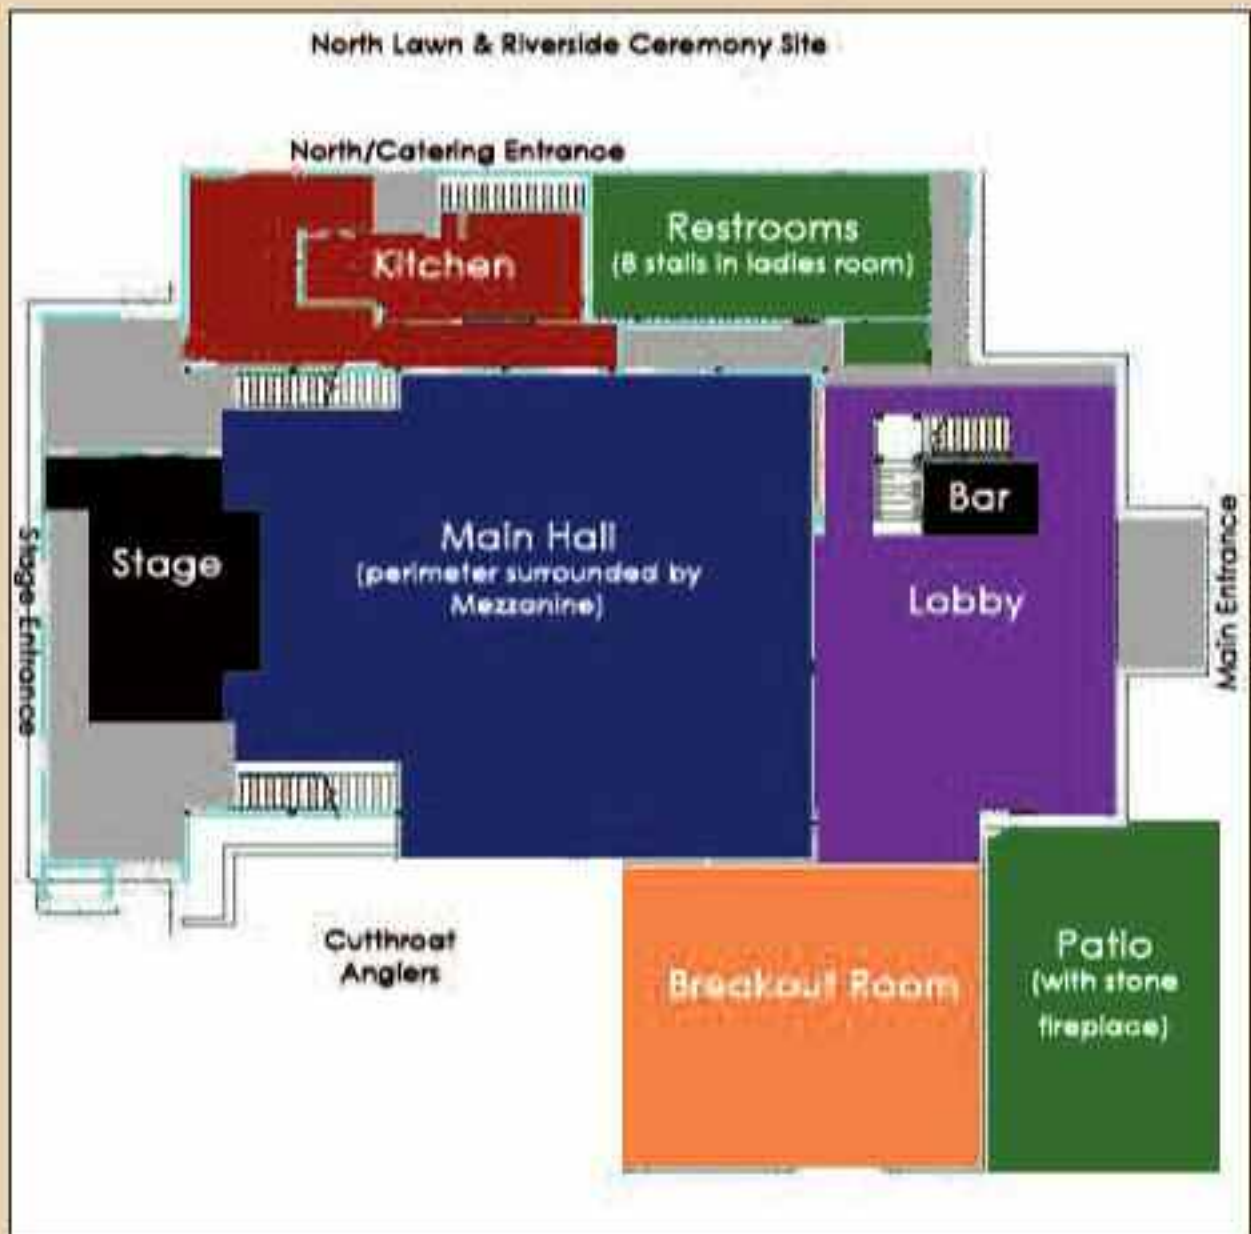

Smaller business functions will be at home in the Breakout Room. This space comfortably seats up to 60 guests, and features room-darkening shades that make it conducive for PowerPoint and other presentations.

Luncheons can take place in any area of the facility, including on the lobby mezzanine, which gives meeting attendees the opportunity to take in the mountain sights and sounds.

For larger presentations and banquets, the Pavilion's Main Hall features a built-in screen that can be automatically rolled up and down allowing for full use of the stage.

The Pavilion's professional sound system has 18 data lines, and our stage is lit with theatrical-style lights. In addition to being a wireless facility, ample electrical outlets and phone jacks are located throughout the building.

**Lobby:** 1,600 square feet  
**Breakout Room:** 900 square feet  
**Main Hall:** 8,600 square feet  
**Stage:** 540 square feet  
**Capacity:** 450 persons

Summit County residents and not-for-profit organizations are eligible for discounts. Please call for details.

\*Prices subject to change. Prices listed are as of January 2009.

**W**hether you're hosting a wedding, reunion, or sales meeting, your guests are sure to appreciate the Pavilion's location.

With convenient access to I-70, we are in the heart of Summit County, and within minutes of Keystone, Copper Mountain and Breckenridge ski resorts. No matter the season, there's always fun for everyone—horseback and sleigh rides, biking, hiking, tubing and, of course, skiing and snowboarding.

The most famed stretch of the Blue River is the tail water below Dillon Reservoir, flowing through Silverthorne. This stretch is designated Gold Medal water by the state Department of Wildlife. Fishermen will enjoy fly fishing on these waters—trout over 24 inches are frequently seen.

The Pavilion is approximately two miles south of The Raven Golf Club at Three Peaks, which was awarded Colorado's #1 Golf Course for Company Outings by *Colorado Biz* magazine. Routed through towering Colorado pines, quaking aspens, crystal clear creeks and trout filled lakes, The Raven course offers an appealing blend of traditional and contemporary architectural design styles.

The Outlets at Silverthorne are within easy walking distance of hotels and the Pavilion. With three Villages, the Outlets offer hundreds of brand-name stores, including Calvin Klein, Banana Republic, Coach, Nine West, Cold Water Creek and more.

The Summit Stage, a free bus system, gives your guests a way to roam from town-to-town without needing a vehicle. A transit center is located two blocks from the Pavilion.
